NTS 408 I Peter - Jude Study the pastoral care these apostles had for the early Christians. Peter reminds his readers in his first letter that they have a new life in Christ, and offers encouragement in their suffering for the faith. In his second letter, when he is close to death, he alerts his readers to false teachers and encourages them to grow in Christ. John wrote his epistles to strengthen Christians in their walk with the Lord, to focus on God's love and our need to obey His commands, and to refute the Gnostic teachings regarding the humanity and divinity of Jesus. In Jude's short letter he addresses a lot of issues. He refutes false teachers, warns against fleshly desires, rejecting authority, and being divisive.

SYS 500 Systematic Theology Any time we think about a teaching of the Bible and strive to understand it, we are engaging in theology. Therefore, it is important that we put the Bible's varied teachings together in a systematic fashion, using proper, time-tested methods of interpretation so as to arrive at a theology that is founded on truth. Dr. Sproul, makes complex subjects easy to understand, surveys the basic truths of the Christian faith, reminding us once more of what God is like and of what He has done for His people in this world and the next.

Digital technology enables and empowers Christians (those who pursue Christ-likeness in heart, soul and body) to fulfill the Great Commission. And that with such proficiency never imagined over 2000 years ago. But God knew! That is what the Scriptures mean when they say, "No eye has seen, no ear has heard, and no mind has imagined what God has prepared for those who love him." (1Cor. 2:9 *NLT*)

While there are many platforms available for our use, MITT uses videoconferencing technology (SKYPE) to preach the gospel, teach and make disciples, baptizing them into the Kingdom of God. We currently have students committed to synchronous e-Learning classes (online students simultaneously participating with students in the classroom).
